

# LEGAL FOR TRADE

## PALLET TRUCK SCALE

*\*Legal for trade capability when a certified calibration house inspects.*

### TIP THE SCALE IN YOUR FAVOR

The Lift-Rite Hand Pallet truck with scale and exclusive integrated printer option is ready to put in work. It combines the controlling function of a very accurate weighing system with the mobility and flexibility of a hand pallet truck. So you can weigh pallets and containers during transport, keeping you on the move.

#### FUNCTIONS

- » Automatic and manual zero correction
- » Gross/net weighing
- » Automatic and manual tare
- » Totalling with sequence number
- » ID-code entry (5-digit)
